RENTAL EQUIPMENT POLICY

Participants can rent equipment from the Cayman Islands Skateboard Association (CISA). Request rental rates from a park attendant.

Parents can rent equipment for their children and participant may rent equipment and have another participant sharing it; however it will be the participant who rented the equipment responsible to return the equipment after usage.

The authorized participant takes full responsibility for the proper care of the equipment. In the event of loss, theft, accident, misuse or damage beyond normal wear and tear as determined by CISA staff, the authorized user will be responsible for the cost of repair and/or full replacement cost.

Although the park offers rental equipment, we encourage scooters/skaters/bikers to provide their own equipment.
